

# CHELTENHAM SCHOOLS YEAR 9 TRACK & FIELD CHAMPIONSHIPS

14<sup>th</sup> June 2007

Dear Colleague,

Please find enclosed the results from last evening's Year 9 Championships. Considering the atrocious weather, I thought the standard was excellent and I am very grateful to all of you for your valiant efforts to ensure the smooth running of the evening. Particular thanks to Rhona Donaldson from Dean Close who did all the organisation prior to the competition but to all of you for braving the conditions.

I apologise if the names are not quite accurate but I am sure you will appreciate that a large number of the results sheets resembled 'papier mache' by the time they made their way to me!

I also found a couple of small errors on 'count back' so you may notice one or two of the scores have changed slightly and it has meant that, in the girls' event, Pates are now in equal second place with Balcarras.

Well done to all athletes

Best wishes

Caroline Ralph
